Merritt Veterinary Supply Joins Animalytix Data Provider's Network

Animalytix LLC is proud to welcome Merritt veterinary Supply as the newest member of the company's network of participating animal health distributors. In 1938 Lloyd Merritt, DVM and his wife, Jennie, opened Merritt Veterinary Supplies, Inc. in Sumter, SC to provide pharmaceuticals, biologicals and equipment to other area veterinarians for the care of livestock and other large farm animals. Over the years, the company has grown considerably and the corporate office relocated in 1996 to its present site in Columbia, South Carolina. Today Merritt offers a comprehensive line of products sold exclusively to licensed veterinarians throughout the Southeastern United States.
