Animalytix Introduces ALYX Market Surveys for Veterinary Needles, Sutures and Syringes

Animalytix LLC had published three new market surveys including ALYX-33 Disposable Syringes, ALYX-31 Disposable Needles, and ALYX-30 Sutures. The three surveys offer the industry its first detailed analysis of these three core veterinary supply categories which collectively represent more than \$175 million in annual purchases. Leading brands from major manufacturers such as Novartis, Covidien, and Veterinary Products Laboratories are included in the monthly reports. Interested subscribers should contact info@animalytix.net for further details.

ABOUT Animalytix LLC

Animalytix, through its partnership with the leading US animal health distribution companies, is unique in its ability to provide actionable commercial insight to manufacturers, investors, lenders and financial analysts with an interest in this dynamic and expanding market. Animalytix currently publishes more than 20 monthly market surveys reflecting sales of pharmaceuticals, vaccines, nutraceuticals and veterinary supplies for use in pets, horses, swine and cattle totaling \$5 billion in sales revenues on an annual basis. The monthly surveys provide sales trending insights for more than 5,000 products sourced from more than 500 manufacturers.
